Subject: Shipment for Studies

DSS: No

Lori:

Kim Prchal provided me with your name as the contact point for the pharmacy at the PHX site.

I am in the process of initiating the shipment of study product to the PHX site for the clinical conduct of the MARL/01/03 and MARL/02/03 studies. Because we will need to coordinate shipment of this product through a wholesaler, we'd like to minimize the number of shipments to PHX. I would like to send a total of 42 cases of cigarettes to PHX in the first shipment, but I am uncertain of whether your site could accommodate such a quantity. Could you please advise (no later than this Wednesday) what the maximum quantity of cigarettes is that you would be able to store (at one time) for these studies?

Once I have that information I can determine how many shipments we need to be planning for.

If you have questions, please feel free to contact me.

Thanks,
Valerie
